

The cute & quiet virtual cat

**User manual**

# Presentation

# A quiet virtual cat

- 3 mini games
- 7 food types
- Friends visits and presents
- Simple intuitive action, no sound, no death
- Scoring system
- Feed, cuddle, play, wash and educate
- Runs on Arduboy
- Available for Arduino Leonardo R3 and M5 Stick C+

# A quiet virtual pet

TiMiNoo ("Tee Me Noo") is a virtual cat providing minimal distraction, fully office-compatible, simple intuitive action, no sound, no death. The cat is different on each run, his characteristics are randomly picked at startup. It has been created with busy people in mind: The gameplay is simple enough to be enjoyed in a work environment.

TiMiNoo is a feature-rich virtual cat, a companion for busy days: Cuddle, Feed, Educate, Wash and Entertain your very own furry companion. Tamagotchi lovers could compare it to a Nano.

# Features

# Simple intuitive gameplay

- A / B: Start the *Kiss Cuss* game when TiMiNoo is happy
- A / B: Start an action depending on what TiMiNoo needs
- Up / Down: Show TiMiNoo stats (hunger, hygiene, education, morale, fun)
- Left / Right: Opens the actions menu

# TiMiNoo stats

- Press Up or Down from the home screen to show TiMiNoo stats (hunger, hygiene, education, morale, fun)

# Action menu

- Press Left or Right from the home screen to open the Action menu
- From there you can play *Catsino Deluxe* or *Catwash Station*, feed TiMiNoo or even cuddle him
- Just wait a few seconds to automatically exit the menu if you change your mind

# No sound

Having a virtual pet on your desk at work is lovely, but you certainly need to preserve your workflow from distractions. That's why TiMiNoo produces no beeping sounds.

# 3 mini games

- *Catsino Deluxe*: Go to the casino with your TiMiNoo and do your best to win some yummy food to bring home. Beware of the ghost though!
- *Catwash Station*: When the fur of your TiMiNoo gets dirty, it's time for a proper toilet. Scrub scrub!
- *Kiss Cuss*: Give your friends a kiss and cuss at the ghost. When a friend appears on screen, press B to give a kiss and share the love. When a naughty ghost appears on screen, press A to cuss at it and make it go away.

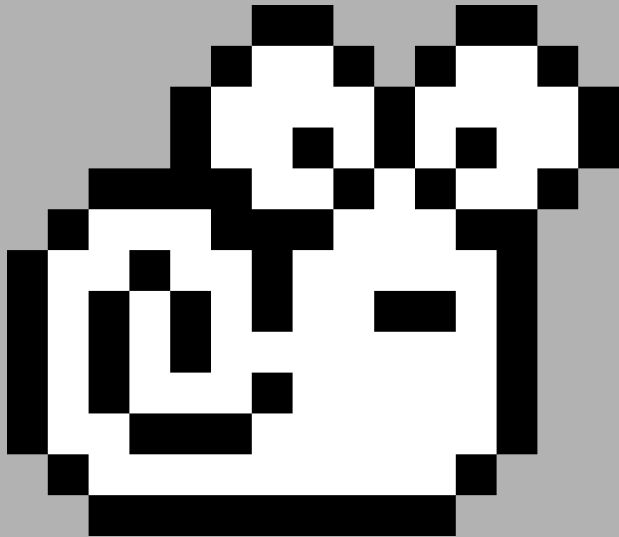

# 7 food items

Feed your TiMiNoo whenever he gets hungry. TiMiNoo doesn't die if you don't feed him, but he will give you that big eyes stare. Feed him a variety of food including:

Icon	Item
	Grape
	Strawberry
	Apple
	Orange
	Milk
	Coco cake (bonus item)
	Matcha tea (bonus item)

# Lessons with Professor Koko

Your TiMiNoo wants to become a cultured cat. Call Professor Koko Le Snail, a wise teacher that will share his best knowledge with him.

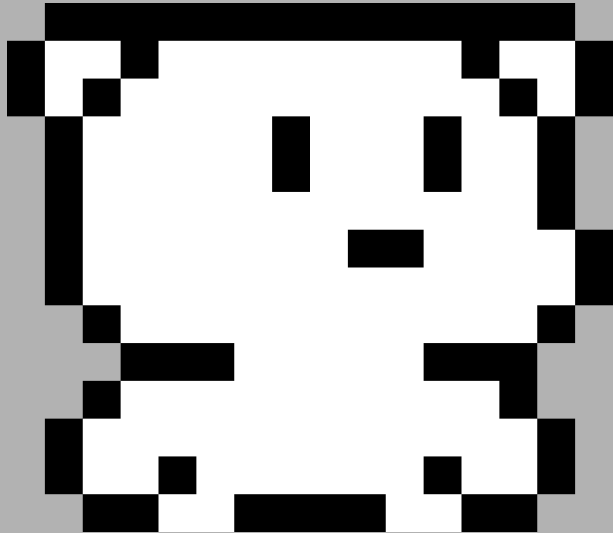

# Cuddle time

TiMiNoo craves attention and love, make sure to give him plenty.

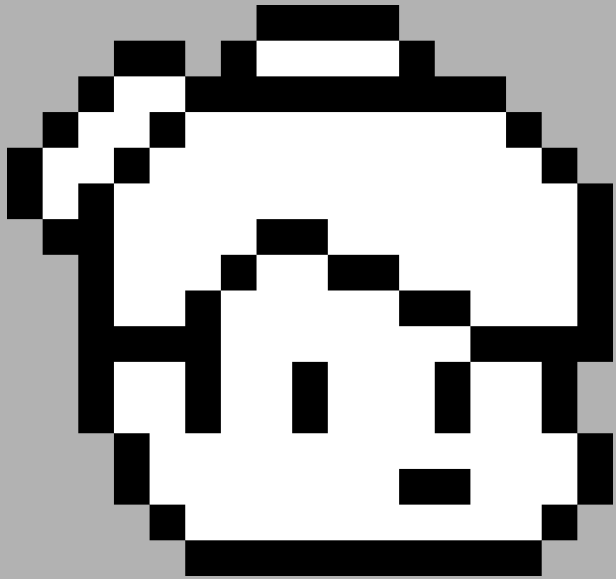

# Visits from Sophie

Occasionally, when TiMiNoo gets hungry, his friend comes home and offer either a cup of hot Matcha tea or a slice of home made Coco cake.

# Visits from ChiChi

Sometimes, his friend ChiChi comes home and asks for a cuddle or some ingredient she is missing for her cooking.

# Gain points: scoring system

Action	Item	Bonus
Feed	Strawberry	+30 points
	Grape, orange, apple	+20 points
	Milk	+10 points
Play Catsino Deluxe	BAR	+500 points
	Strawberry	+300 points
	Grape, orange, apple	+200 points
	Milk	+100 points
Cuddle		+50 points
Educate		+100 points
Play Catwash Station		+200 points
Friend visit		+10000 points
Ghost encounter		-666 points

# How to play

18

10/02/24

# Starting the game

Plug your TiMiNoo to a 5V USB power supply to start a new game. There is no save feature and no experience, but scoring is available.

# Starting the game

Every run is a fresh beginning with new statistics:

- **Appetite:** How often your TiMiNoo will ask for food,
- **Hygiene:** How quickly your TiMiNoo gets dirty,
- **Morale:** How happy your TiMiNoo feels,
- **Education:** How well trained your TiMiNoo is,
- **Entertainment:** How often your TiMiNoo will want to play.

# Starting the game

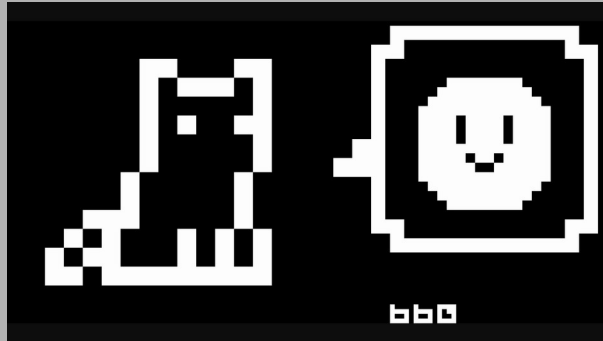

TiMiNoo never dies, even if you don't take proper care of him. This is intentional as this game is made to be office-compatible.

# Understand what TiMiNoo wants

TiMiNoo will show you what he needs by displaying icons in speech bubbles.

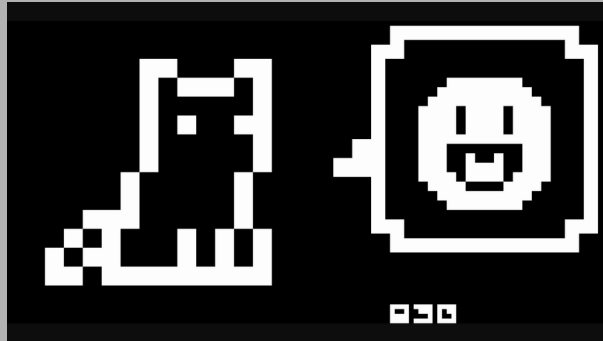

# Home screen

TiMiNoo looks straight at you, waving his tail. He is happy, simply enjoying the moment.

# Home screen

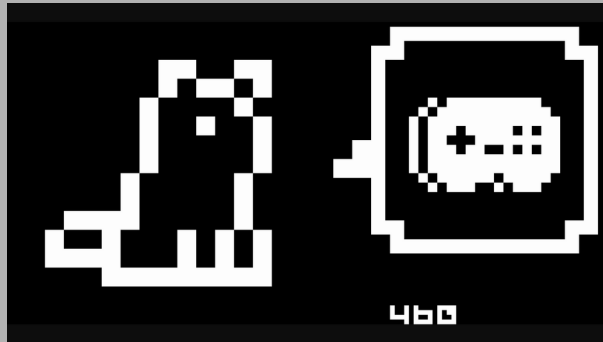

TiMiNoo will express his joy right after you take action on his needs:

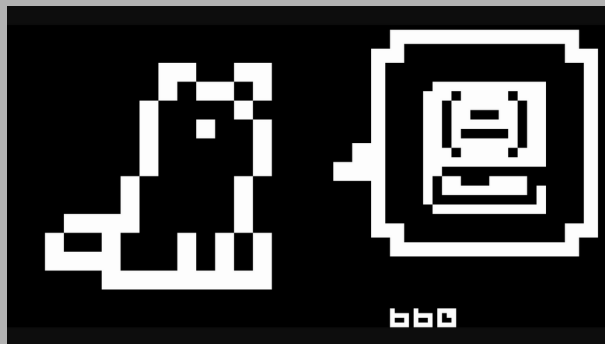

# TiMiNoo wants to play

TiMiNoo looks at a gamepad icon:

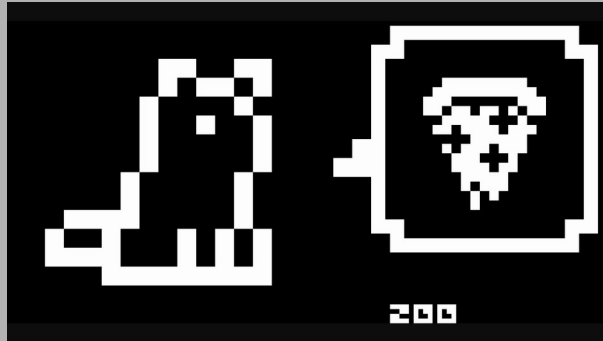

# TiMiNoo wants to learn

TiMiNoo looks at a book icon:

# TiMiNoo is hungry

TiMiNoo looks at a pizza slice icon:

# TiMiNoo wants to cuddle

TiMiNoo looks at a half-empty heart icon:

# TiMiNoo needs a bath

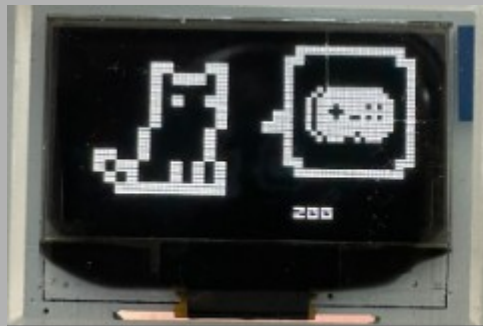

TiMiNoo looks at a bubble icon:

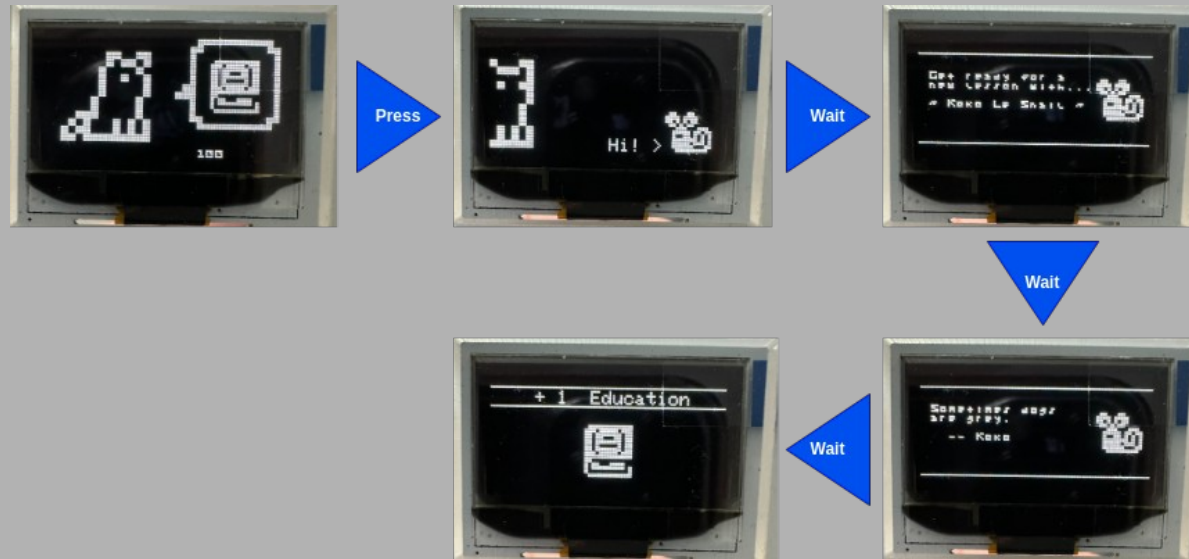

# Play the games, interact

In this section, we will see how to play Catsino Deluxe, Catwash Station and Kiss Cuss, how to cuddle, educate and feed TiMiNoo. Every action raises your score!
